ORCID: 0000-0003-3187-3755

Research interests

Paleoanthropology. Anthropological genomics. Science communication. Open science.

Education

- 1999 Ph.D., Anthropology. **University of Michigan**, Ann Arbor, MI.
Thesis title: “The Evolution of Human Population Size: A Synthesis of Paleontological, Archaeological, and Genetic Data.”
- 1996 M.A., Anthropology. **University of Michigan**, Ann Arbor, MI.
- 1994 B.A., English and French; B.S. Anthropology. **Kansas State University**, Manhattan, KS.

Professional appointments

- from 2014 **Vilas-Borghesi Distinguished Achievement Professor**, Department of Anthropology, University of Wisconsin–Madison
- from 2019 **Associate Chair**, Department of Anthropology, University of Wisconsin–Madison
- from 2018 **Visiting Professor**. Evolutionary Studies Institute, University of the Witwatersrand

- from 2002 **Affiliate Faculty**, Department of Integrative Biology, University of Wisconsin–Madison
- 2016–2017 **Research Associate**, Evolutionary Studies Institute, University of the Witwatersrand
- 2013–2017 **Honorary Reader**, Evolutionary Studies Institute, University of the Witwatersrand
- 2011–2016 **Associate Chair**, Department of Anthropology, University of Wisconsin–Madison
- 2013–2014 **Professor**, Department of Anthropology, University of Wisconsin–Madison
- 2012–2013 **Howard Hughes Medical Institute (HHMI) Faculty Fellow**, University of Wisconsin–Madison
- 2008–2013 **Associate Professor**, Department of Anthropology, University of Wisconsin–Madison. Granted tenure in 2008.
- 2011 **Visiting Professor**, University of Rome “Sapienza”
- 2002–2008 **Assistant Professor**, Department of Anthropology, University of Wisconsin–Madison
- 1999–2002 **Postdoctoral Fellow**, Human Molecular Evolution and Demography Group, University of Utah
- 1996–1999 **Graduate Student Instructor**, Department of Anthropology, University of Michigan
- 1998 **Visiting Lecturer**, Department of Anthropology, Western Michigan University
- 1998 **Lecturer**, Department of Anthropology, University of Michigan
- 1997–1998 **Research Consultant**, Cranbrook Institute of Science
- 1992–1994 **Teaching Assistant**, Department of Anthropology, Kansas State University

Honors and awards

- 2021 Van Hise Outreach Teaching Award
University of Wisconsin–Madison
- 2017 Ken and Linda Ciriacks Alumni Outreach Excellence Award
University of Wisconsin–Madison Foundation and Wisconsin Alumni Association
- 2016 Fulbright U.S. Scholar
U.S. Department of State
- 2014 Vilas-Borghesi Distinguished Achievement Professorship
University of Wisconsin–Madison
- 2012 Kavli Fellow
U.S. National Academy of Sciences
- 2011 H. I. Romnes Faculty Fellow
University of Wisconsin–Madison
- 2011 Howard Hughes Medical Institute (HHMI) Faculty Fellow
University of Wisconsin–Madison

- 2011 Honored Instructor, University Housing
University of Wisconsin–Madison
- 2009 Vilas Associate Award
University of Wisconsin–Madison
- 1999 Outstanding Graduate Student Instructor
Department of Anthropology, University of Michigan
- 1994 Phi Kappa Phi Honorary Society
Kansas State University
- 1993 Phi Beta Kappa
Kansas State University

Media and internet

Websites

- from 2004 **John Hawks Anthropology Weblog** (author): <http://johnhawks.net/weblog>
Statistics 2018–2022: 1.7 million page views from 919,000 users worldwide. 46% of visitors from outside U.S.
- 2013–2014 **Rising Star Expedition Blog** (contributor):
<http://newswatch.nationalgeographic.com/blog/rising-star-expedition/>
Open science project sponsored by the National Geographic Society, describing fieldwork of the Rising Star Expedition in South Africa.
- 2011–2013 **Malapa Soft Tissue Project** (author and contributor): <http://johnhawks.net/malapa>
An open science experiment involving public input and a broad research community to examine evidence from Malapa Cave, South Africa.

Video series

- 2014 **Human Evolution: Past and Future.**
Eight-week massive open online course (MOOC), presented on Coursera. Enrollment: 41,000. Format: field footage, interviews, and mini-lectures, intended to engage students with virtual visits to paleoanthropological fieldsites and interviews with experts in different aspects of paleoanthropology.
- 2011 **The Rise of Humans: The Great Debates.**
24-lecture series for The Great Courses (Chantilly, VA). Available on DVD, internet and audio. Human evolution, told through a historical perspective outlining the work of key paleoanthropologists, from the discovery of the first hominins up to paleogenomics.
- 2010 **Major Transitions in Evolution.**
24-lecture series for The Great Courses (Chantilly, VA), copresented with Anthony Martin, Emory University. Available on DVD and internet. Evolution of life, focusing on the origins of major clades, including primates and hominins.

Documentary television

- 2020 **Expedition Unknown: After the Hunt** (Discovery Channel). On-screen expert.
- 2020 **Expedition Unknown: The Hunt for Our Ancient Ancestors** (Discovery Channel). On-screen expert.
- 2018 **Origins** (UW-Madison Communications, for Big Ten Network). Consultant and on-screen expert.
- 2017 **Speaking Evolution** (Alabama Public Television). On-screen expert.
- 2017 **Is Human Evolution Still Ongoing?** (Probono, for Arte). On-screen expert.
- 2017 **Africa's Great Civilizations** (Nutopia, for PBS). On-screen expert.
- 2016 **The Evolution of Us** (Magellan TV). On-screen expert.
- 2015 **Brain Surgery Live** (National Geographic Channel). On-screen expert.
- 2015 **Neanderthal Apocalypse** (Story House Productions, for History Channel). On-screen expert.
- 2015 **The Next Human** (Korean Broadcasting System). On-screen expert.
- 2015 **First Peoples** (Five episodes, Wall to Wall Productions, for PBS). Consultant and on-screen expert.
- 2015 **Judge for Yourself** (eNews TV, South Africa) Guest expert.
- 2015 **Dawn of Humanity** (National Geographic, for PBS NOVA). Consultant and on-screen expert.
- 2014 **Your Inner Fish** (Tangled Bank Studios, for PBS). Consultant.
- 2013 **Consider This** (Al Jazeera America). Guest expert.
- 2013 **Secrets of the Dead: Caveman Cold Case** (Terra Mater Productions, for PBS). Consultant and on-screen expert.
- 2013 **Decoding Neanderthals** (Arrow Productions, for PBS NOVA). Consultant and on-screen expert.
- 2012 **Sex in the Stone Age** (Lone Wolf Productions, for National Geographic). On-screen expert.
- 2012 **Through the Wormhole with Morgan Freeman** (Discovery Communications, for Discovery Channel). On-screen expert.
- 2012 **Prehistoric Autopsy: Neanderthal** (BBC). Consultant and on-screen expert.
- 2009 **Becoming Human** (WGBH, for PBS NOVA). Consultant.
- 2008 **The Neandertal Code** (Wall to Wall Productions, for National Geographic). Consultant and on-screen expert.

Publications

Books

- 2017 Berger, Lee R. and **John Hawks**. *Almost Human: The Astonishing Tale of Homo naledi and the Discovery That Changed Our Human Story*. National Geographic Books, Washington, DC.

Scholarly articles and book chapters

- 2022 Askapuli, Ayken, Miguel G. Vilar, Humberto Garcia-Ortiz, Maxat Zhabagin, Zhaxylyk Sabitov, Ainur Akilzhanova, Erlan Ramanculov, Uli Schamiloglu, Angelica Martinez-Hernandez, Cecilia Contreras-Cubas, Francisco Barajas-Olmos, Theodore G. Schurr, Zhaxybay Zhumadilov, Marlen Flores-Huacuja, Lorena Orozco, **John Hawks**, and Naruya Saitou. Kazak mitochondrial genomes provide insight into the human population history in Central Eurasia. *PLoS ONE* (in press).
- 2022 Williams, Scott A., Iris Zeng, Jordan S. Guerra, Shahed Nalla, Marina Elliott, **John Hawks**, Lee R. Berger, and Marc R. Meyer. *Homo naledi* lumbar vertebrae and a new 3D method to quantify vertebral wedging. *American Journal of Biological Anthropology* 179(3): 491–500. <https://doi.org/10.1002/ajpa.24621>

Research funding

Grants

- 2020 “Investigating mortuary practices in *Homo naledi*, a window into the roots of human culture.” (May 2021–April 2023)
John Templeton Foundation
Budget: \$225,745
- 2020 Instructional Laboratory Modernization Grant (co-PI with Elizabeth Leith)
University of Wisconsin–Madison
Budget: \$70,000
- 2019 “*Homo naledi* in the context of modern human origins.” (July 2019– June 2021)
Office of the Vice Chancellor for Research and Graduate Education, University of Wisconsin–Madison.
Budget: \$28,050
- 2016 “Open education resources for introductory biological anthropology.” (January–July 2016)
University of Wisconsin–Madison
Budget: \$2680
- 2014 “Responding and adapting to climate change: Recognizing and managing uncertainty in the physical, social, and public spheres.” (participant matching funding) (January–December 2014)
World Universities Network
Budget: \$3200
- 2013 “Human Evolution: Past and Future” massive open online course development. (February 2013–September 2014)
University of Wisconsin–Madison
Budget: \$30,000
- 2013 “Genomics in Introductory Biological Anthropology.” (January–July 2013)
Robert Wood Johnson Foundation
Budget: \$5000

- 2009 “Laboratory Modernization Grant for Skeletal and Cast Collections.” (June 2009–May 2010)
University of Wisconsin–Madison
Budget: \$95,765
- 2008 “Skeletal evolution in Bronze Age to Medieval Europe.” (June–August 2008)
Graduate School, University of Wisconsin–Madison
Budget: \$8000
- 2006 “Evolutionary dynamics of the Neandertal-modern transition in Europe.” (May–July 2006)
Graduate School, University of Wisconsin–Madison
Budget: \$17,600
- 2003 “Genetic differentiation of hominoid subspecies.” (June–August 2003)
Graduate School, University of Wisconsin–Madison
Budget: \$10,300
- 1998 Project: Digitizing legacy paleoanthropological data (June–August 1998)
Rackham School of Graduate Studies, University of Michigan
Budget: \$2500
- 1992 “The Shakespearean fool as social outsider.”
Younger Scholar Program, National Endowment for the Humanities
Budget: \$2000

Fellowships

- 2016–2017 Fulbright U.S. Scholar
United States Department of State
- 1999–2002 Postdoctoral Research Fellowship
Human Molecular Evolution and Demography Group, University of Utah
- 1994–1998 Jacob K. Javits Graduate Fellowship
U.S. Department of Education
- 1994 Regents Fellowship (declined)
Rackham School of Graduate Studies, University of Michigan
- 1994 Phi Kappa Phi Graduate Fellowship
Phi Kappa Phi Honorary Society

Teaching

Ph.D. committee chair

- 2020 Sarah Edlund, University of Wisconsin–Madison. (currently Teaching Faculty of Integrative Biology, University of Wisconsin–Madison).
An Assessment of the Skeletal Morphology of the Hand of Theropithecus gelada.

- 2019 Jeanelle Uy, Ph.D., University of Wisconsin–Madison. (currently Assistant Professor of Anthropology at California State University, Long Beach).
Gut Size and Its Relationship with the Ribcage and Pelvis in Humans and Nonhuman Primates.
- 2017 Sarah E. Traynor, Ph.D., University of Wisconsin–Madison (currently Associate Lecturer of Anatomy, University of Wisconsin–Madison School of Medicine and Public Health).
An Evaluation of Resampling Methods Applied to Unassociated Fossil Assemblages and a Quantitative Assessment of the Limb Proportions of Homo naledi.
- 2014 Marc Kissel, Ph.D., University of Wisconsin–Madison (currently Assistant Professor of Anthropology at Appalachian State University).
Culture-Genetic Models of Information Exchange in Humans: Integrating Genetic, Skeletal and Archaeological Data.
- 2013 Zachary J. Throckmorton, Ph.D., University of Wisconsin–Madison (currently Associate Professor of Anatomy at University of Colorado School of Medicine).
Variation and Non-adaptive Evolution of the Hominin Foot.
- 2012 Aaron J. Sams, Ph.D., University of Wisconsin–Madison (currently Research Scientist at Embark).
A Natural History of Celiac Disease: Insights Into the Evolution of Complex Phenotypes.

Ph.D. committee member

- 2021 Jessica L. Skinner, Ph.D., University of Wisconsin–Milwaukee
- 2016 Alia N. Gurtov, Ph.D., University of Wisconsin–Madison
- 2013 Melissa Reiland, Ph.D., University of Wisconsin–Madison
- 2011 Luisa Arnedo, Ph.D., University of Wisconsin–Madison
- 2010 Leslie Seltzer, Ph.D., University of Wisconsin–Madison
- 2003 Kristin Hallin, Ph.D., University of Wisconsin–Madison

Master's advisees

- 2022 Erica Noble, University of Wisconsin–Madison
- 2015 Jeanelle Uy, University of Wisconsin–Madison
- 2014 Sarah E. Traynor, University of Wisconsin–Madison
- 2010 Aaron J. Sams, University of Wisconsin–Madison
- 2009 Zachary J. Throckmorton, University of Wisconsin–Madison
- 2006 Michael Corcoran, University of Wisconsin–Madison

Master's committee member

- 2007 Michael Tilkins, University of Wisconsin–Madison (Zoology)

Courses taught

Workshops

Bioinformatics for human evolution
Teaching evolution
Public communication of science
Online methods in teaching

Elementary

Principles of Biological Anthropology
Laboratory in Biological Anthropology
(Four-field) Introduction to Anthropology
Exploring Biology

Intermediate

Human Evolution
Anthropological Genetics
Evolutionary Biology
Anthropological Theory and Ethnography
Human Adaptation

Advanced

Evolutionary Population Genetics
Biology of Mind
Evolution of the Genus *Homo*
Hominin Origins
Modern Human Origins

Lectures and Colloquia committee (2002–2004, 2007–2008, 2020–present)

Biological Anthropology Curator (2003–2011)

Curation committee (2010–2016)

Archaeological Chemistry Laboratory committee (2013–2016)

Events committee [2020–present]

Presentations

Invited lectures

- 2022 Milwaukee Public Museum, Milwaukee, WI.
“Human ancestors in the caves of South Africa.”
- 2022 Kansas State University, Manhattan, KS.
“From Kansas State to the Cradle of Humankind.”
- 2021 Badger Talks Live, University of Wisconsin–Madison.
“The new mysteries of human origins.”
- 2020 PalaeoTalks, University of Evora, Portugal.
“*Homo naledi* and the questions that will push human origins research forward in the 2020s”
- 2020 Down Ancient Trails series, Sharma Centre for Heritage Education, India.
“Latest research from the Rising Star cave system, South Africa”
- 2020 North Dakota State University, Fargo, North Dakota.
“Discoveries that shed new light on our African origin.”
- 2019 Clemson University, Clemson, South Carolina.
“Fossils, genomes, and our African origins.”
- 2019 Wayne State University, Detroit, Michigan.
“What makes us human?”
- 2019 Founder’s Day Distinguished Lecture, Wisconsin Alumni Association Motor City Chapter.
“Discovering human ancestors in the caves of South Africa.”
- 2019 Tanner Lecture, Bean Life Sciences Museum, Provo, Utah.
“The Rising Star fossil discoveries and the mysterious *Homo naledi*.”
- 2019 College Seminar, Brigham Young University, Provo, Utah.
“How new discoveries are changing our view of modern human origins.”
- 2018 Vice President for Research and Graduate Studies Speaker Series, Michigan State University, East Lansing, MI.
“Hybrids and Ghosts: How ancient DNA and new fossils are changing the science of human origins.”
- 2018 Institute for Vertebrate Paleontology and Paleoanthropology, Beijing, China.
“*Homo naledi* and Middle Pleistocene Africa.”
- 2018 Founder’s Day Distinguished Lecture, Wisconsin Alumni Association Beijing Chapter.
“Discovering human ancestors in the caves of South Africa.”
- 2018 Founder’s Day Distinguished Lecture, Wisconsin Alumni Association Shanghai Chapter.
“Discovering human ancestors in the caves of South Africa.”

- 2018 Founder's Day Distinguished Lecture, Wisconsin Alumni Association Hong Kong Chapter.
"Discovering human ancestors in the caves of South Africa."
- 2018 Distinguished Lecture, University of Wisconsin–Waukesha, Waukesha, WI.
"Almost Human: Bringing South African Fossil Ancestors to Light."
- 2017 Nazarbayev University, Astana, Kazakhstan.
"New discoveries of ancient hominins from the Rising Star cave system, South Africa."
- 2017 Origins Centre, University of the Witwatersrand, Johannesburg, South Africa.
"Lecture and book launch for *Almost Human*."
- 2017 Cradle of Humankind Visitor Centre, Mogale, South Africa.
"Age of *Homo naledi* and discovery of the Lesedi Chamber." (co-presenter)
- 2017 Silverstein Lecture Series. Northwestern University, Evanston, IL.
"Almost Human: How New Discoveries from South Africa Change Our View of Human Origins."
- 2016 University of Wisconsin–Marathon County, Wausau, WI.
"Finding human ancestors in the Cradle of Humankind."
- 2016 Department of Molecular, Cellular and Biomedical Sciences, University of New Hampshire, Durham, NH.
"Population structure, endogamy and selection in modern human origins."
- 2016 Department of Anthropology, University of New Hampshire, Durham, NH.
"Finding *Homo naledi*."
- 2016 Saul O. Sidore Memorial Lecture Series, University of New Hampshire, Durham, NH.
"Probing human ancestry with ancient DNA."
- 2016 Tulane University, New Orleans, LA.
"Where does *Homo naledi* fit into our evolutionary history?"
- 2016 Wisconsin Alumni Association Board, Laguna Beach, CA.
"*Homo naledi*"
- 2016 Wisconsin Alumni Association Chapter, Palm Beach, CA.
"*Homo naledi*"
- 2016 Center for Mind, Brain and Culture, Emory University, Atlanta, GA.
"*Homo naledi* and the Evolution of Human Behavior."
- 2015 Distinguished Lecture Series, University of Wisconsin–Madison.
"Discovering *Homo naledi*"
- 2015 Archaeological Institute of America–Milwaukee Chapter, University of Wisconsin–Milwaukee.
"The Rising Star Expedition and the discovery of *Homo naledi*."

- 2015 Harvard University, Cambridge, MA.
“The Rising Star Expedition and *Homo naledi*.”
- 2015 Cambridge University, Cambridge U.K.
“The Rising Star Expedition and *Homo naledi*.”
- 2015 Cradle of Humankind Visitor Centre, Mogale, South Africa.
“Announcement of *Homo naledi*.” (co-presenter)
- 2015 University of Maine, Orono, ME.
“The Rising Star Expedition.”
- 2015 University of Maine, Orono, ME.
“Discoveries from ancient human genomes.”
- 2015 University of Illinois, Urbana, IL.
“The Rising Star Expedition.”
- 2015 University of Wisconsin–La Crosse.
“Booting up humanity.”
- 2015 University of Wisconsin–La Crosse.
“The Rising Star Expedition.”
- 2014 Kalb Memorial Lecture, Rice University, Houston, TX.
“How genetics is expanding and deepening history.”
- 2013 Chicago Humanities Festival, Chicago, IL.
“Are we the last Neanderthals?”
- 2013 Hrvatski prirodoslovni muzej, Zagreb, Croatia.
“Learning about Neandertals from ancient genomes.”
- 2013 Department of Anthropology, University of Utah. Salt Lake City, UT.
“Systems genetics and ancient genomes: Insights into Neandertal and Denisovan biology”.
- 2012 Department of Anthropology, University of Alabama. Tuscaloosa, AL.
“Human evolution during the Holocene.”
- 2012 Alabama Lectures on Life’s Evolution (ALLELE) series. Tuscaloosa, AL.
“Neandertime: How ancient genomes are transforming our past and present.”
- 2012 University of Colorado. Boulder, CO.
“Learning about Neandertals and ourselves from ancient genomes.”
- 2012 Institute for Human Evolution, University of the Witwatersrand. Johannesburg, South Africa.
“Further insights from ancient genomes.”
- 2012 University of the Witwatersrand. Johannesburg, South Africa.
“Systems genetics and ancient human genomes”

- 2012 Université de Bordeaux. Bordeaux, France.
“Archaic human genomes and human evolution.”
- 2012 Denver Museum of Nature and Science. Denver, CO.
“Exploring the genomes of Neandertals.”
- 2012 University of Colorado–Denver, Department of Anthropology.
“Paleogenomics and the evolution of Neandertals and Denisovans.”
- 2012 University of Michigan, Ann Arbor, Laboratory of Paleoanthropology.
“Probing the genetics of the australopithecines.”
- 2012 University of Michigan, Ann Arbor, Department of Psychology.
“Behavioral implications of archaic human genomes.”
- 2011 University of Birmingham. Birmingham, U.K.
“Neandertals, Natural Selection, and the Mystery of Denisova Cave.”
- 2011 University of the Witwatersrand. Johannesburg, South Africa.
“Genomes of Neandertals and Denisovans and the emergence of modern humans.”
- 2011 University of Rome “Sapienza”. Rome, Italy.
“Neandertal genomes and human evolution”
- 2011 University of Florence. Florence, Italy.
“Uncovering secrets from ancient genomes”
- 2011 Aarhus University. Aarhus, Denmark.
“Uncovering secrets from ancient genomes”
- 2011 National Children’s Medical Center. Washington, D. C.
“Ancient genomes and Neandertal biology”
- 2011 Harriet Elliott Lecture, University of North Carolina, Greensboro. Greensboro, North Carolina.
“Neandertal genetics and human evolution.”
- 2010 Princeton Summer Archaeology Program. Bordeaux, France.
“Neandertal genetics.”
- 2010 University of Wisconsin–Milwaukee. Milwaukee, Wisconsin.
“The great Neandertal comeback: How genomic-era science is breathing life into our ancestors”
- 2010 Darwin Day lecture, University of Georgia. Athens, Georgia.
“Neandertal genetics and human evolution.”
- 2009 University of Leiden. Leiden, Netherlands.
“Using genetics to probe human evolution.”

- 2009 University of Wisconsin–Whitewater. Whitewater, WI.
Darwin Day keynote lecture: “Neandertals, Darwin and the Sicilian mafia: What do they have in common?”
- 2009 University of Chicago, Department of Human Genetics. Chicago, IL.
“Spatial dynamics, recent selection, and language dispersal.”
- 2008 The Ohio State University. Columbus, OH.
“Language dispersals, natural selection and human population dynamics”
- 2007 Museum of Anthropology, University of Michigan. Ann Arbor, Michigan.
“Why is human evolution accelerating?”
- 2007 University of Tennessee. Knoxville, Tennessee.
“Neandertal Viagra and other wonders of the genomic age”
- 2007 University of Tennessee. Knoxville, Tennessee.
“Why is human evolution accelerating?”
- 1998 University of Pennsylvania Museum. Philadelphia, PA.
“Population genetic inferences about prehistory.”

Invited conference keynote lectures

- 2021 General Anthropology Division, American Anthropological Association. Baltimore, MD.
“Taking the science of human origins into the next decade.”
- 2018 AeroConf IEEE Aerospace Conference 2018. Big Sky, Montana.
“Discovering human ancestors in the Cradle of Humankind, South Africa.”
- 2018 Third Annual Symposium, Israel Academy of Sciences and Humanities, Jerusalem, Israel.
“The braided stream: Deep time and diversity in human origins.”
- 2017 University of Johannesburg Palaeo-Research Symposium, Johannesburg, South Africa.
“The Rising Star fossil discoveries and human origins.”
- 2017 Social Media in Academia Conference, Notre Dame University, South Bend, IN.
“Discovering *Homo naledi*—Designing social media into fieldwork projects.”
- 2016 Rethinking Leadership Conference, Madison, WI.
“Leadership lessons from the field.”
- 2016 Biology Leadership Community, New Orleans, LA.
“Discovering human ancestors in the Cradle of Humankind.”
- 2015 PBS Digital Education Summit, Philadelphia, PA.
“*First Peoples* and education.”
- 2014 David W. Smith Workshop on Morphogenesis.
“Changing perspectives on Neandertals from ancient DNA.”

- 2013 International Celiac Disease Symposium, Chicago, IL.
“Evolutionary history of celiac disease.”
- 2012 Société d’Anthropologie de Paris. Bordeaux, France.
“Communication inaugurale: The genomes of archaic humans: demographic and functional insights.”
- 2011 National Association of Biology Teachers. Anaheim, California.
“Neandertal genetics and human evolution.”
- 2009 New Horizons, National Association of Science Writers. Austin, Texas.
“Why is human evolution accelerating?”
- 2009 AeroConf IEEE Aerospace Conference 2009. Big Sky, Montana.
“Why is human evolution accelerating?”

Symposium organizer

- 2018 American Society of Human Genetics, San Diego, CA.
“Presidential Symposium: Origins of Our Species: Advances in Our Understanding of Ancient Humans in Africa.”
- 2016 American Association of Physical Anthropologists, Atlanta, GA.
“The biology of *Homo naledi*.”
- 2006 Wisconsin Symposium in Human Biology, Madison, WI (co-organizer).
“Primate and human evolution.”

Invited symposium presentations

- 2020 Symposium on “Exploring the Origin of Today’s Humans.” Center for Academic Research and Training in Anthropogeny, University of California, San Diego.
“How *Homo naledi* matters to our origins,” “Thinking hybrid: How to engage with reticulate evolution in human origins.”
- 2019 American Association of Physical Anthropologists, Cleveland, OH.
“Deciphering Denisovans.” Discussant.
- 2018 Presidential Symposium. Origins of Our Species: Advances in Our Understanding of Ancient Humans in Africa. American Society of Human Genetics, San Diego, CA.
“Current status and future directions.”
- 2018 Calpe 2018 Conference, Gibraltar.
“Who were the ancestors of the Neanderthals?”
- 2017 Stellenbosch Institute for Advanced Study, Stellenbosch, South Africa.
“Evolution of human wisdom.” Discussant.
- 2016 Max Planck Institute for the Study of Human History. Jena, Germany.
“African population variation and the origin of modern humans.”

- 2016 American Association of Physical Anthropologists. Atlanta, GA.
“Millennial-scale population dynamics and the anthropology of introgression.”
- 2015 ZiF Research Group Conference, “Interdisciplinary Perspectives on Genetic and Social Causes of Life Chances”, Bielefeld, Germany.
“Recent evolution and population growth as factors in contemporary human variation.”
- 2015 Radcliffe Institute Symposium on the Present and Future of DNA. Harvard University, Cambridge, MA.
“Ancient DNA and human evolution.”
- 2015 Calpe 2015 Conference, Gibraltar.
“Extraordinary lecture: The discovery of *Homo naledi*”, “We found the Neanderthals inside us. Now what?”
- 2015 American Association of Physical Anthropologists. St. Louis, MO.
“Education and outreach components of the Rising Star Expedition and Rising Star Workshop.”
- 2014 Symposium on the African Hominin Fossil Record, Toulouse, France.
“Fossils and molecules: Thoughts on ancient DNA and the African record.”
- 2014 Calpe 2014 Conference, Gibraltar.
“Human evolution education/outreach and World Heritage.”
- 2014 International Symposium on cultural developments in the Eurasian Paleolithic and the origin of anatomically modern humans, Denisova Field Camp, Russia.
“The Rising Star hominin sample.”
- 2013 International Union of Anthropological and Ethnological Societies, Manchester, UK.
“Denisova: An Unexpected Window into Human Origins.”
- 2013 American Association for Anthropological Genetics. Knoxville, TN.
“Teaching with paleogenomics.”
- 2012 American Anthropological Association. San Francisco, CA.
“Archaic human genomes: Expanding the boundaries of our species.”
- 2012 Calpe 2012 Conference. The Human Niche: Biology Behavior and Culture in the Genus *Homo*. Gibraltar.
“Population dynamics of Pleistocene people from the perspective of ancient genomes.”
- 2012 Indonesian-American Kavli Frontiers of Science Symposium. Solo, Indonesia.
“Evolutionary background of human genetic variation and selection.”
- 2012 Consilience Conference. University of Missouri-St. Louis.
“Feedbacks and forcings in human cultural and biological evolution.”
- 2012 American Association of Physical Anthropologists. Portland, OR.
“Plenary Session: Bringing Our Casts Into the Open.”

- 2011 American Anthropological Association. Montreal, Canada.
“Recent acceleration of human evolution: When genes break.”
- 2011 International Symposium on the Middle-Upper Paleolithic Transition in Central Asia.
Denisova Field Camp, Russia.
“Distribution of archaic genes in living human populations”
- 2011 American Association of Physical Anthropologists. Minneapolis, Minnesota.
“Deep genealogy, Neandertal ancestors, and our accelerating evolution.”
- 2011 Society of American Archaeologists. Sacramento, California.
“Neandertal genetics and modern human origins.”
- 2010 Symposium on DNA, Genetics and the History of Mankind. Banbury Center, Cold Spring
Harbor Laboratories, New York
“Recent positive selection as a tracer of population history.”
- 2010 Cultural Psychology Symposium, Stanford University. Palo Alto, California.
“Some implications of recent strong selection.”
- 2009 Human evolution symposium, Naturalis Museum. Leiden, Netherlands.
“Genetics of early *Homo*”
- 2008 Evolution, Culture, and Human Behavior: Perspectives from Different Disciplines.
University of California–Irvine. Irvine, CA.
“Recent adaptive evolution of human hearing.”
- 2008 Santa Fe Institute. Santa Fe, NM.
“The human impact of the Last Glacial Maximum.”
- 2007 American Anthropological Association. Washington, DC.
“Rapid selection, genetic reorganization and modern human origins.”
- 2006 Conference on “The Origin and Fate of Neanderthals,” Salk Institute, La Jolla, CA.
“Combining morphology and population genetics”
- 2005 American Anthropological Association, Washington, DC.
“Ethics in paleoanthropology and genetics.”
- 2005 Neanderthals Revisited symposium. New York University, New York, NY.
“Neandertal population genetics.”
- 2001 American Anthropological Association. Washington, DC.
“One hundred years of modern human origins in the AAA.”
- 2001 American Association of Physical Anthropologists. Kansas City, MO.
“Pleistocene *Homo* and the genetics of speciation.”
- 1999 Krapina Centenary Conference. Zagreb, Croatia.
“Neandertal genetics.”

- 1999 International Association for Quaternary Research. Durban, South Africa.
“African influence on Pleistocene human evolution.”
- 1999 International Workshop at the Neanderthal Museum. “Central and Eastern Europe from 50,000 to 30,000 B.P.” Mettmann, Germany.
“A population genetic model for Neandertal DNA.”
- 1998 American Association for the Advancement of Science. Philadelphia, PA.
“Skeletal Biology, Osteological Variation, and Race.”

Invited workshops and panels

- 2022 Cambridge University Biological Anthropology Society, Cambridge, UK.
“Who and what is *Homo naledi*?”
- 2022 American Association of Biological Anthropologists.
“Sharing with the public and getting the academy to count it.”
- 2021 University of the Witwatersrand, Johannesburg, South Africa.
“A child of darkness: Discovery from the Rising Star cave system.”
- 2015 Wisconsin Science Festival, Madison, WI.
“Panel: Big ideas for busy people.”
- 2021 Phi Beta Kappa Alpha Chapter of Wisconsin, Madison, WI.
“Higher education reform and the value of a liberal arts education.”
- 2019 American Anthropological Association, Vancouver, Canada.
“Navigating public engagement and media on the tenure track.”
- 2019 American Anthropological Association, Vancouver, Canada.
“Geopolitical contexts (and conflicts) related to archaeological and bioanthropological knowledge production: the case of ancient DNA research from the North American region.”
- 2019 University of Wisconsin–Madison Alumni Association, New York, NY.
“UW Now.”
- 2018 American Society of Human Genetics, San Diego, CA.
“Natural selection and human origins.”
- 2018 Kavli Symposium on Science Communication. Baltimore, MD.
Science Communicators Panel.
- 2018 Association of College and Research Libraries, Anthropology and Sociology Section.
“Research and public engagement in an African context.”
- 2017 Wisconsin Science Festival, Madison, WI.
“Communicating Science in the 21st Century,” “Workshop on blogging in science,”
“Origins: The making of a UW-Madison documentary.”

- 2017 Nazarbayev University, Astana, Kazakhstan.
“How to run a popular academic blog,” “Careers in anthropology.”
- 2017 Workshop on biological sampling of skeletal remains. Wellcome Trust, London, U.K.
Panelist on fossil heritage.
- 2015 American Association for Anthropological Genetics. St. Louis, MO.
Panelist on public outreach in genetics.
- 2015 Panelist, Wisconsin Science Festival.
“Big Ideas for Busy People.”
- 2015 Panelist, Wisconsin Science Festival.
“Global Wisconsin Idea.”
- 2015 Panelist, Wisconsin Alumni Research Foundation.
“The importance of basic research.”
- 2013 Workshop on the Evolution of the Indoor Biome, National Evolution Synthesis Center (NESCent), Duke University, Durham, NC.
- 2013 American Association of Physical Anthropologists. Knoxville, TN.
“Plenary workshop: Fossil casts.”
- 2012 ScienceOnline2012. Raleigh, North Carolina.
“Using blogs in the classroom.”
- 2011 ScienceOnline2011. Research Triangle Park, North Carolina.
“Art in Science”, “Blogging on the tenure track”, “How to migrate your blog.”
- 2011 Science Communication Workshop. University of North Carolina, Chapel Hill.

Contributed conference presentations

- 2018 American Association of Physical Anthropologists. Austin, TX.
“New fossil remains of *Homo naledi* from the Dinaledi Chamber, South Africa.”
- 2014 American Association of Physical Anthropologists. Calgary, Canada.
“Non-metric dental traits and geography.”
- 2013 American Association of Physical Anthropologists. Knoxville, TN.
“Sense and sensitivity in Neandertals and Denisovans.”
- 2012 American Association of Physical Anthropologists. Portland, OR.
“Assessing the pattern of Neandertal ancestry in human populations.”
- 2010 American Association of Physical Anthropologists. Albuquerque, New Mexico.
“The diversity of recent positive selection in human populations.”
- 2008 American Association of Physical Anthropologists. Columbus, OH.
“Recent adaptive evolution of human hearing.”

- 2007 American Association of Physical Anthropologists, Philadelphia, PA.
“Acceleration of human adaptive evolution”
- 2005 American Association of Physical Anthropologists. Milwaukee, WI.
“Brain-body allometry and the mind of early *Homo*.”
- 2005 Paleoanthropology Society. Milwaukee, WI.
“Population size, disease, and the evolution of aging.”
- 2004 American Association of Physical Anthropologists. Tampa, FL.
“Paleodeme genetic diversity: pitfalls and prospects.”
- 2001 Paleoanthropology Society. Kansas City, MO.
“The Accretion model of Neandertal evolution.”
- 2000 American Association of Physical Anthropologists. San Antonio, TX.
“Population structure in Late Pleistocene and recent Europeans.”
- 1999 American Association of Physical Anthropologists. Columbus, OH.
“Population bottlenecks and human evolution.”
- 1998 American Association of Physical Anthropologists. Salt Lake City, UT.
“Mismatch distributions of mtDNA may not reveal recent human population expansions.”
- 1997 Cold Spring Harbor Symposium on Human Evolution. Cold Spring Harbor Laboratory, New York.
“Have Neandertals left us their genes?”

K-12 teacher and student workshops

- 2022 Hamilton Middle School, Madison, WI.
“How scientists study fossil human relatives.”
- 2022 Milwaukee Public Museum, Milwaukee, WI.
“Exploring for fossil human ancestors in South Africa.”
- 2022 Cherokee Heights Middle School, Madison, WI.
“The science of human origins.”
- 2021 Hamilton Middle School, Madison, WI.
“How scientists study fossil human relatives.”
- 2019 Bean Life Science Museum, Provo, UT.
“Exploration as a way of understanding evolution.”
- 2019 Institute for School Partnership, Washington University, St. Louis.
“New discoveries and insights into our African origins.”
- 2018 Fort Atkinson High School, Fort Atkinson, WI.
“The Rising Star fossil discoveries and human origins.”

- 2018 Junior Science and Engineering Night, Fitchburg, WI.
“How scientists find fossils in South African caves.”
- 2017 Wendell Phillips Academy, Chicago, IL.
“Learning about fossil hominins.”
- 2016 Verona High School, Verona, WI.
“Anthropology.”
- 2015 New Century School, Verona, WI.
“Finding ancient bones.”
- 2014 Wisconsin Science Festival, Madison, WI.
“Teacher workshop: Rising Star Expedition and virtual tour.”
- 2011 New Century School, Verona, WI.
“Science notebooks.”
- 2011 Darwin Day teacher workshop, University of Wisconsin–Madison.
“Human evolution and genetics.”
- 2008 New Century School, Verona, WI.
“Human evolution.”

Local invited presentations

- 2022 Madison Gem and Mineral Club.
“How ancient DNA is changing our picture of human origins.”
- 2018 Scholar’d For Life Series. Middleton Public Library.
“The discovery of *Homo naledi*.”
- 2018 Madison West Lions Club.
“Discovering human ancestors in Africa”
- 2018 Madison Club.
“New fossils from South Africa and how our view of human origins is changing.”
- 2018 College of Letters and Science Board of Visitors, University of Wisconsin–Madison.
Panelist on UW “Origins” project.
- 2018 Fourth Tuesday group, University of Wisconsin–Madison.
“*Homo naledi* and the changing landscape of human evolution in Africa.”
- 2018 University of Wisconsin Division of Continuing Studies. Evolution: Origins and Contemporary Questions.
“Human Evolution”
- 2018 Verona Area Historical Society, Verona, WI.
“Finding ancient fossils in the Cradle of Humankind.”

- 2017 BioHouse, University of Wisconsin–Madison.
“Searching for human origins in South Africa.”
- 2017 Wednesday Nite at the Lab, University of Wisconsin–Madison.
“*Homo naledi* and human origins.”
- 2017 Climate, People, and the Environment Program Seminar, Nelson Institute Center for Climatic Research, University of Wisconsin–Madison.
“How discoveries in South Africa are changing our view of environments in human evolution”
- 2016 Downtown Rotary Club, Madison, WI.
“Newest members of the human family tree.”
- 2016 Wisconsin Alumni Association, Lakeland Chapter.
“Finding human ancestors in the Cradle of Humankind.”
- 2016 TEC, Middleton, WI.
“Discovering human ancestors in the Cradle of Humankind.”
- 2016 Africa at Noon Seminar, University of Wisconsin–Madison.
“Uncovering new stories of the human past in South Africa.”
- 2016 University Roundtable, University of Wisconsin–Madison.
“Finding human ancestors in the Cradle of Humankind.”
- 2016 Wednesday Nite at the Lab, University of Wisconsin–Madison.
“Discovering *Homo naledi*.”
- 2015 Archaeology Brown Bag, University of Wisconsin–Madison.
“*Homo naledi* and the Rising Star Expedition.”
- 2015 College of Letters and Science Board of Visitors.
“Discovery of *Homo naledi*.”
- 2015 Friends of the University of Wisconsin–Madison Arboretum.
“Rising Star Expedition.”
- 2014 Wednesday Nite at the Lab, University of Wisconsin–Madison.
“Modern human origins.”
- 2014 Wisconsin Science Festival, Madison, WI.
“Rising Star Expedition.”
- 2014 UW-Madison BioHouse.
“Rising Star Expedition.”
- 2014 MadBiology Boot Camp, University of Wisconsin–Madison.
“Color vision in primates.”
- 2014 First Unitarian Society, Madison, WI.
“New Frontiers in Human Evolution: Fossil, Hominids, Genes and Population Genetics”

- 2014 Panelist, UW-Madison Science Café.
“Who Sciences Harder?”
- 2013 Panelist and Convenor, Letters and Science plenary.
“Online and distance education.”
- 2013 New Century School, Verona, WI.
“Rising Star Expedition.”
- 2013 Wisconsin Science Festival, University of Wisconsin–Madison Institute for the Humanities.
“Booting up humanity.”
- 2013 Center for Demography of Health and Aging Seminar.
“Life history and work in evolution.”
- 2013 Systems Biology Seminar.
“Functional networks versus evolutionary networks.”
- 2013 MadBiology Boot Camp, University of Wisconsin–Madison.
“Evolution of bipedalism.”
- 2013 Van Hise Society, UW Foundation.
Panelist on “MOOCs and the Wisconsin Idea.”
- 2013 PEOPLE Program, University of Wisconsin–Madison.
“Anthropology and human evolution.”
- 2013 Environment on Tap, Nelson Institute, UW-Madison.
“How ancient DNA is transforming human evolution.”
- 2013 Wisconsin Institute for Discovery. Science communication workshop.
“The Art of Conversation.”
- 2013 Chaos and Complex Systems Seminar, University of Wisconsin–Madison.
“How are complex adaptations built? Using cultural and genetic convergence to understand evolving systems.”
- 2013 Panelist, UW-Madison Faculty Institute on Teaching.
- 2012 Hearing and Donuts, aka Brain and Bagels Seminar.
“What we know about the evolution of language, featuring the Neandertals.”
- 2012 Department of Genetics, University of Wisconsin–Madison.
“Systems genetics and human population history.”
- 2012 MadBiology Boot Camp, University of Wisconsin–Madison.
“Neandertal DNA and human origins.”
- 2012 Panelist, UW-Madison Faculty Institute on Teaching.
- 2012 College Days. “Learning about ancient genomes.”

- 2012 University of Wisconsin Teaching and Learning Symposium.
“Teaching Beyond the Walls of the Classroom with Lecture Capture”
- 2012 Wisconsin Institute for Discovery, University of Wisconsin–Madison.
Panelist, “Science Writing in an Age of Denial.”
- 2012 Dairy Forage Research Institute, University of Wisconsin–Madison.
“Exploring Neandertal and Denisovan genes.”
- 2011 Charles E. Brown Archaeological Society, Madison, WI.
“Archaeology and paleogenomics of the Altai.”
- 2011 Darwin Day lecture, University of Wisconsin–Madison.
“Neandertal genetics and human evolution.”
- 2010 University of Wisconsin–Madison Library.
Panelist, “Putting the Wisconsin Idea online.”
- 2010 Science Pub, Madison, WI.
“Neandertal genomes.”
- 2010 Prairie Unitarian Congregation, Madison WI.
“*Ardipithecus*”
- 2009 Science Pub, Madison, WI.
“Human evolution.”
- 2009 Darwin Day symposium, University of Wisconsin–Madison.
“Recent adaptive evolution of human hearing and the evolution of language.”
- 2008 Department of Zoology Colloquium, University of Wisconsin–Madison.
“Spatial diffusion, accelerating selection, and language dispersal: Beyond the edge of chaos.”
- 2008 Institute for Research in the Humanities, University of Wisconsin–Madison.
Panel participant, “What is Human”
- 2008 Wisconsin Public Radio, Here on Earth program,
“Race in the race.”
- 2008 Wednesday Nite at the Lab, University of Wisconsin–Madison.
“Why is human evolution accelerating?”
- 2008 University of the Air program,
“Ongoing human evolution.”
- 2008 Climate, People and the Environment Program seminar, University of Wisconsin–Madison.
“Accelerating evolution and human environments.”
- 2008 Chaos and Complexity Seminar, University of Wisconsin–Madison.
“Why is human evolution accelerating?”

- 2007 Behavioral Interdisciplinary Seminar lecture,
“Risk, life history, and Neandertal social dynamics.”
- 2007 Summer Research Mentorship Program, Department of Genetics.
“Human evolution.”
- 2006 Department of Genetics Retreat, University of Wisconsin–Madison.
Panel discussant, “Evolution versus creationism.”
- 2007 Summer Research Mentorship Program, Department of Genetics.
“Human evolution.”
- 2006 Evolution Seminar Series, University of Wisconsin–Madison.
“Why has human evolution been accelerating?”
- 2005 Guest commentator to “Journey of Man,” Wisconsin Public Television
- 2005 Department of Genetics, University of Wisconsin–Madison.
Panel discussant, “Human genetics and evolution.”
- 2003 Archaeology Brown Bag, University of Wisconsin–Madison.
“Kinship and effective population size in human evolution.”
- 2003 Behavioral Interdisciplinary Seminar, University of Wisconsin–Madison.
“Kinship and population structure.”
- 2003 Evolution Discussion Group lecture
- 2003 Zoology Colloquium, Department of Zoology
“Effective population size, genetic variation and population structure.”
